

POLICY OVERVIEW

Commercial Property Owners

Our Property Owners Insurance policy offers innovation that is underpinned by real benefits. For example, the Society places a great importance on its ability to provide a high level of privacy and confidentiality, so when you join the Society, you benefit from a visit by one of the Society's senior members of staff. The same person will also visit you again should you need to make a claim, ensuring it is resolved quickly.

We believe our friendly approach will be of assistance in both determining the level of insurance you require and in dealing with claims should they arise.

Your commercial property is arguably the most important asset in your portfolio so it is imperative you protect it. Our Property Owners Insurance plan is a bespoke product designed for commercial investment property.

Whether you are a landlord of a commercial property or running a business from your building, Jersey Mutual can protect your property, landlord contents and loss of rental income following unforeseen events such as a fire or flood damage. This policy is designed to meet the insurance needs of commercial property owners, including:

- Offices • Cafés • Restaurants • Shops • Surgeries
- Apartment Blocks
